<!--
RSS generated by JIRA (1001.0.0-SNAPSHOT#100175-sha1:592715fa16dc015b9ba7f6fe7d179d1ab039e638) at Wed Sep 08 22:02:18 UTC 2021

It is possible to restrict the fields that are returned in this document by specifying the 'field' parameter in your request.
For example, to request only the issue key and summary add field=key&field=summary to the URL of your request.
